1. Statement of intent

To ensure that children receive their full entitlement to teaching and learning opportunities at Lea Hall Academy by promoting good attendance and punctuality.

Good consistent school attendance is regarded as essential in securing the desired outcomes for children and is crucial in ensuring that pupils have the best chance of success.

Lea Hall will give a high priority to conveying to parents, carers and pupils the importance of regular and punctual attendance. We recognise that parents and carers have a vital role to play and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there are concerns about attendance.

If there are problems which affect a pupil's attendance we will investigate, identify and strive in partnership with parents and pupils to resolve those problems as quickly and efficiently as possible, therefore, reducing the level of unauthorised absences.

Absence may be authorised by the school before or after it occurs. Unauthorised absence is when a pupil is absent and no explanation is provided by parents/carers or the explanation given is unacceptable to the school. The school will ensure that parents understand that it is their responsibility by law to make sure that their child attends school.

We are committed to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(19 August 2024\)](#), through our whole-school culture and ethos that values good attendance

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Strategic Approach

Lea Hall Academy have adopted the Birmingham Education Partnership '**5 Foundations of Effective Attendance Practice Framework**', which is modelled on the work of Professor Katherine Weare and positively reviewed by the DfE. The emphasis is on developing a school culture and climate which builds a sense of connectedness and belonging to ensure all children can attend school and thrive.

The approach ensures we prioritise building solid working relationships with children, and parents, prior to escalation. The staged approach we follow ensures we identify triggers early, that can lead to poor attendance issues, such as mental health issues, lack of trust, communication and relationship breakdowns and the possible lack of networking opportunities both internal (in-school) and external (external agencies).

Aims of the 5 Foundations strategy

- Increase school Attendance and reduce Persistent Absence to meet set targets.
- Ensure Attendance is well managed within the school, with the appropriate level of resources allocated.
- Enable the school to make informed use of attendance data to target interventions appropriately, focusing on the key demographic groups highlighted in the 2022 DfE attendance paper.

Objectives

1. Create an ethos within the school in which good attendance is recognised as the norm and every child aims for excellent attendance.
2. Make attendance and punctuality a priority.
3. Set focused targets to improve individual attendance and whole school attendance levels.
4. Embed the 5 Foundations of Effective Attendance Practice framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.
5. Record and monitor attendance and absenteeism and apply appropriate strategies to minimise absenteeism.
6. Develop a systematic approach to gathering and analysing relevant attendance data.
7. Provide support, advice and guidance to; parents, children and develop mutual cooperation between home and the school in encouraging good attendance and in addressing identified attendance issues.
8. Demonstrate, using rewards, that the school recognises good attendance and punctuality are achievements in themselves.

**5 Foundations Of Effective
Attendance Practice**

The main aim of the framework is to ensure the school promotes a culture of good attendance and celebrates success. Ultimately, the framework will ensure there is a culture of feeling safe and school being a place where children want to be.

Positive health and emotional well-being are key factors in improving social development, school attendance and educational achievement. The 5 Foundations of Effective Attendance Practice model promotes, and supports, a whole school approach to mental health and emotional well-being; ensuring SEMH support remains a key driver in improving attendance for all children.

Each Foundation is supported by 5 Key Performance Indicators, these are used to ensure the school can embed the Foundations framework and understand the strategic direction regarding attendance improvement. Each year the school will use the 5 Foundations self-assessment tool to understand what works well and identify what we need to do even better. We then follow the 5 Foundations school improvement process to implement the attendance plan and ultimately improve the lives of children and families we work with.

Foundation 1

Whole School Thinking Culture & Climate

The school has a fully embedded ethos in which excellent school attendance is expected, developed and nurtured. The escalated approach to supporting attendance is built on foundations of belonging and connectedness.

Foundation 2

Supportive Policies, Systems and Processes

The approach to improving attendance is built on clear policies, systems and processes. This ensures continuous and sustainable improvement drives attendance practice. The attendance policy is understood by all stakeholders and allows the school to set, and maintain, high expectations to improve the culture of attendance.

Foundation 3

Professional Learning Staff Development

The school prioritises developing a team of attendance experts, with a shared vision and core purpose. The Attendance Leader delivers bespoke training to support all staff to fully understand their role in improving attendance. External partnerships support attendance improvements through a multi-disciplinary approach for identified children and families.

Foundation 4

Implement Targeted Programmes And Intervention

Data information and analysis direct resources proactively towards key demographic groups and identified individuals. The expert use of data analysis informs decision making at all levels. The attendance process ensures the Attendance Leader understands the reason for attendance concerns, these barriers can then be successfully supported and removed

Foundation 5

Connect Appropriately With Approaches To Behaviour Management

Connecting and belonging drives the school approach to supporting attendance. All staff are supported to understand 'deeper roots' regarding poor attendance concerns. The school has developed, and embedded, an effective rewards system to further drive attendance improvements and celebrate success.

DFE: Working Together To Improve Attendance.

On the 19th August 2024, the DFE: Working Together to Improve Attendance guidance became statutory for schools. The table below identifies how the 5 Foundations of Effective Attendance Practice will underpin our delivery of the expectations set out in this statutory guidance.

4. Roles and responsibilities

4.1 The Trust Board of Forward Education Trust (FET) has overall responsibility for the following areas but delegates the responsibility to the **EAB of Lea Hall Academy**:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources

- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

4.2 The Headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and authorising the Senior Leadership Team to be able to do so.
- Recognising the additional challenges faced by all pupils due to their Special Educational Needs and/or Disabilities (SEND) and working with the parents to develop specific support approaches for attendance including where school transport is regularly being

missed, and where pupils face in-school barriers

- As all pupils at Lea Hall have an Education Health and Care Plan (EHCP), any pupil with falling attendance, particularly where there are barriers to school attendance that relate to the pupil's needs, must be raised and discussed with the local authority.
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

Attendance Team (SLT, Family Support Worker and Senior Administrator) are responsible for:

- Leading, championing and improving attendance across the school

- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff.
- Working with the local authority to tackle persistent absence
- Advising the headteacher when fixed-penalty notices need to be issued

Administration Staff:

- Input attendance data via BROMCOM
- Send daily reports to Attendance Team for monitoring purposes
- Managing the Pupil Signing in/out procedures.
- Make the first day absence calls and record reasons for absence

Class Staff, including teachers and support staff are responsible for:

- Providing a good example by always being punctual to registration and greeting children at the door – providing a welcoming environment;
- Keeping an accurate and up-to-date register of attendance, recording both morning and afternoon sessions on a daily basis.
- Following the Attendance Policy and ensuring pupils do so too. They are also responsible for ensuring this policy is implemented fairly and consistently.

Parents and Carers:

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8:30am on every day of the absence and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority

- Seek support, where necessary, for maintaining good attendance, by contacting the Assistant Head responsible for their child's key stage.

5. Recording attendance

5.1 Attendance register

We will keep an electronic attendance register on Bromcom and place all pupils onto this register. We will take our attendance register at the start of each school day and at the start of the afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See DfE attendance codes below.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

5.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:30, or as soon as practically possible, by contacting the school admin staff on **01215940890**.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents can request leave of absence by contacting the school admin staff on the above number.

We do, however, encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The school day begins at 9:00am. Pupils should be transitioning from transport to their classroom at this time.

Registers are marked by 9:15am. Pupils will receive a late mark if they are not in their classroom by this time.

The register closes at 9:30am. Pupils will receive a mark of absence if they do not attend school before this time.

The afternoon session begins at 1.30pm. Pupils should be in their classroom at this time.

Registers in the afternoon are marked by 2.00pm. Pupils will receive a late mark if they are not in their classroom by this time.

Lateness for pupils on Local Authority arranged transport will be reviewed and recorded as Y as this is out of the control of the family and the school.

Pupils with 5 or more instances of lateness will begin to have their punctuality monitored more closely and parents will be informed of progress through the letters in appendices A – D.

5.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, we will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If we cannot reach any of the pupil's emergency contacts, we may carry out a home visit to check on the pupil's wellbeing and / or contact the pupils Social Worker (where relevant). If we carry out a home visit and are unable to make contact we will contact the Social Worker (where relevant) or the Police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary.
- If absence continues for three days, the school will arrange a wellbeing visit in person or on teams, in which we will ask to see the child, to check their physical wellbeing. Where the child has a Social Worker we may ask them to carry out this welfare visit. If we are unable to carry out a welfare visit and the child has not been seen by another professional, we will contact the police and ask them to make a welfare call.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, we will progress through the Support First Attendance process and guidance put in place by BCC.

5.6 Reporting to parents

The school will regularly inform parents about their child's attendance and absence levels via half termly letters, unless the level of absence has triggered a process (see the table in section 12, below), in which case contact will be made in line with this process.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as an unexpected family incident that requires your child to be out of school or an absence related to the specific needs of your child.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent belongs. If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has *been made*)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed.

7. School attendance, Safeguarding and Children Missing Education

If a child goes missing from education it is a potential indicator of abuse or neglect. School staff will follow the Local Authority procedures for dealing with children that go missing from education. All Schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated as unauthorised for a continuous period of not less than 5 school days, under the circumstances set out below. This attendance policy is part of broader suite of Safeguarding policies including the schools Safeguarding Policy and the Behaviour and Welfare Policy which support the wellbeing of our children. Regulations 8(f) and 8(h) of the Education (Pupil Registration) (England) Regulations 2006, as amended, place a duty on schools and local authorities to jointly carry out reasonable enquiries to try and locate pupils absent from school whose whereabouts are unknown. This might be:

- A child who is not at their last known address and:
 - has 5 or more days of continuous absence from school without explanation, or: -has left school suddenly and their destination is unknown.
- The family moving within the area but the parents fail to inform the school of the house move or transfer to a new school.
- The family move out of the area and relocate to a new area within the UK but parents fail to inform the school.
- The family relocate abroad and fail to inform the school of their destination.
- The family is displaced as a result of 'crisis' e.g. domestic violence, homelessness.
- Parent/school disagreement and parents withdraw the child from school.
- Family separation.

Where a child cannot be accounted for the school may carry out a home visit or a health and wellbeing concern may be raised.

8. Persistent absence

- If pupils are persistently absent (absence of more than 19 days), pupils will be raised with SLT and the Early Intervention Family Support Worker, who will review the situation surrounding the absences. Parents will be informed that their child has fallen below the threshold for persistent absence and a meeting might be arranged with the Head of Department.
- If necessary the Support First Attendance Framework will be implemented. Initially an Individual Action Plan will be completed and target set. Early Help support will be considered if appropriate.
- If all avenues have been exhausted and support is not improving attendance due to lack of engagement, the school will enforce attendance through statutory intervention or prosecution to protect the pupils right to education.

9. Term-time leave

At Lea Hall Academy we require parents to observe the school holidays as prescribed.

The Headteacher is only allowed to grant a leave of absence in exceptional circumstances. Applications must be made in advance and the Headteacher must be satisfied by the evidence which is presented, before authorising term-time leave.

The Headteacher is unable to authorise holidays during term-time unless an explanation is provided, which outlines why it would more difficult to access the holiday in school holiday time, linked to the needs of the child. This would, therefore, count as exceptional circumstances.

The Headteacher will determine the amount of time a pupil can be away from school during term time. Any leave of absence is at the discretion of the **Headteacher**.

Requests for leave will not be granted in the following circumstances:

- Immediately before and during assessment periods
- When a pupil's attendance record shows any unauthorised absence
- When a pupil's attendance is below 95%

If parents take their child out of school during term-time without authorisation from the Headteacher, they may be subject to sanctions such as a penalty fine and the school will follow the Leave in Term Time (Legal) Process for Birmingham City Council. Unauthorised Leave in Term Time will be recorded as a G code in the register.

A Penalty Notice is an alternative to a prosecution. It requires the parent(s) to pay a fixed amount as a fine for their child's irregular attendance to avoid a court appearance. If the Penalty Notice has not been paid by Day 28, parents are generally prosecuted under section 444(1), the Education Act 1996. If this is necessary.

10. Young carers

The school understands the difficulties that face young carers.

The school will endeavour to identify young carers at the earliest opportunity from enrolment at the school and throughout their time at the school.

The school takes a caring and flexible approach to the needs of young carers and each pupil will be examined on a case-by-case basis, involving other agencies if appropriate.

11. Rewarding good attendance

SLT and staff liaise to agree systems, for both individuals and whole classes, to reward good and improved attendance.

In addition to these rewards, certificates are awarded for 100% attendance for each half term, term and for the whole year.

Reward systems will be reviewed regularly to ensure they are kept fresh and motivational. The school will look for every opportunity to raise the profile of the importance of good attendance with pupils and parents. The school also aims to help pupils develop their own motivation for daily, punctual attendance.

12. Monitoring and review

The school's office staff, on behalf of the school's Headteacher, ensure all attendance data is accurately recorded and can authorise absence on the Bromcom attendance software. One member of staff is assigned this duty in the administrative team.

Attendance data is then checked daily by a member of the attendance team. An attendance report is produced and reported back to the Education Advisory Board (EAB) every half term.

Attendance data is monitored for:

- Pupils with 100% attendance.
- Any developing patterns of irregular attendance and lateness
- Pupils falling below 97% attendance more than 6 days of absence.
- Pupils who are persistently absent – any pupil whose attendance is below 90%
- Pupils with persistent lateness.
- Pupils with significantly improved attendance.
- Requests for holidays.

When any concerns for attendance are raised the school will aim to support pupils and their parents or carers to improve this through a number of measures. Lea Hall Academy operates a staged model of intervention to promote beneficial attendance.

In the first instance concerns about attendance are raised with parents and carers via letter and/or telephone call. Following this there will be opportunities for the parent/carer to discuss reasons for absence. In cases where attendance has not improved the school will identify a monitoring period and possibly a target to support improvement. Where this is not successful the school may then progress through the Support First Attendance procedures developed by Birmingham City Council's Education Legal Intervention Team, to create an action plan to support parents/carers in raising attendance. Referrals may also result in legal action. Early Help may also be offered to parents and carers in cases where there are concerns surrounding attendance and/or punctuality.

Good attendance is further promoted by

- The application of schools' Attendance Policy consistently.
- Training for relevant staff as necessary across the School.
- Creation and monitoring of regular attendance reports to SLT and relevant staff.

The table below highlights the attendance figures and response from the school in relation to the "Support First" attendance framework.

Stage	Attendance (%)	No. of Days Absent	School Response
	97%	6 days or less absent	Good Attendance (Half Term Certificate)

Dear «ParentTitle» «ParentLastName»

Re: «ChildFirstName» «ChildLastName»

Your child, «ChildFirstName» «ChildLastName» has been identified as having poor punctuality at «School_name» School.

As you may be aware, the law treats some persistent lateness in the same way as unauthorised absence and parents may be prosecuted or receive a penalty notice from the local authority if late arrival is not resolved. This has been further strengthened in new regulations which came into force in September 2024.

Minutes late per day during the school year	Equals days worth of teaching lost in a year
5 mins	3.4 days
10 mins	6.9 days
15 mins	10.3 days
20 mins	13.8 days
30 mins	20.7 days

Poor punctuality can lead to your child...

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future

If your child is having any difficulties that you wish to discuss, please contact me immediately. If you have other concerns about your child or other difficulties you would like support with, please contact the school who may be able to assist in the form of an early help assessment. You can also find help and support here:

[From Birmingham with Love](#)

Your child’s punctuality must now improve, or the school may have no option but to take further action against you. If you call and I am not available, please leave a message and telephone number and I will call you back.

Yours sincerely,

Dear «ParentTitle» «ParentLastName»

Re: «ChildFirstName» «ChildLastName» - D.O.B. «ChildDOB» Yr «YearGroup»

Your child's poor attendance at school this year is causing serious concern as **he/she** has been absent for **number of** sessions out of a possible **number of** sessions. This will make it much harder for your child to achieve good results in their school work. **Most/All** of the absence has been due to illness or for medical reasons.

You have been advised to take your child to see your GP to rule out any underlying medical conditions that your child may have and have been offered a referral to the school nurse.

Unfortunately, due to the high levels of illness absence from school, **the Headteacher can no longer authorise any absence for medical reasons unless supported by medical evidence.**

Should **Pupil's name** have any further sessions of absence because of illness or medical reasons you are strongly advised to provide one of the following which may enable the Headteacher to authorise your child's absence:

- Medical appointment card with one appointment entered
- Letter from a professional such as a hospital Consultant or Psychologist
- Evidence of a consultation with NHS 111
- Medication prescribed by a GP
- Copy of prescription
- Print screen of medical notes
- Letters concerning hospital appointments
- Slip with date, pupils name and surgery stamp, signed by Receptionist
- Screen shot from the NHS app of the any contact with the GP regarding the child's health

Doctors or GP 'sick' notes are not required. Please do not request these from your GP as s/he will not be able to provide one.

Please be aware that telephone calls and handwritten notes from a parent/carer are **not** acceptable as medical evidence when attendance is of serious concern.

I have to advise you as a parent/carer of a child of statutory school age, you have a legal responsibility to ensure full time education suitable to the child's age, ability and aptitude and any special educational needs the child may have, either by regular attendance at school or otherwise (Education Act 1996 Section 444).

We work with parents to improve school attendance. Good attendance will mean that your child is able to achieve the best grades for their ability and have real opportunity in further education and the world of work. Absence disrupts the education of the individual pupil and the whole class. Children who do not attend regularly:

- do not achieve well in exams
- find it difficult to maintain friendships
- miss out on social events
- are more likely to become involved in crime

If you have other concerns about your child or other difficulties you would like support with, please contact the school who may be able to assist in the form of an early help assessment. You can also find help and support here: [From Birmingham with Love](#)

If you wish to discuss the contents of this letter or your child's attendance please contact me. If you call and I am not available, please leave a message and contact telephone number and I will call you back.

Dear «ParentTitle» «ParentLastName»

Re: «ChildFirstName» «ChildLastName» - D.O.B. «ChildDOB» Yr «YearGroup»

I'm writing to you to express concern about **«ChildFirstName»** attendance in school. As you may be aware, it is the legal responsibility of parents to ensure children attend school regularly.

We work with parents/carers to help improve school attendance. Good attendance will mean that your child is able to achieve the best grades for their ability and have real opportunity in further education and the world of work. Absence disrupts the education of the individual pupil and the whole class.

Children who do not attend regularly:

- do not achieve their potential in exams
- find it difficult to maintain friendships
- miss out on social events
- are more likely to become involved in crime
- are less likely to earn high wages as adults

If you feel your child has ongoing or unresolved medical issues, we can arrange for a referral to the school nurse. You are also advised to approach your doctor urgently and to inform the school of the outcome. If there are other difficulties affecting your ability to ensure your child attends school regularly, we may be able to help and offer an early help assessment so please contact us urgently to arrange a meeting. You can also find help and support here:

[From Birmingham with Love](#)

If you wish to discuss the contents of this letter or your child's attendance, please contact the school. If you call and there is no one available, please leave a message and contact telephone number and we will call you back.

I hope this is helpful to you and we look forward to seeing **«ChildFirstName»** in school more regularly from now on.

Yours sincerely,

Invitation to an Informal Attendance Meeting

Please find enclosed a copy of «ChildFirstName» Registration Certificate. «ChildFirstName» attendance is currently «Insert % Attendance» which means that he has missed «Insert the number of days missed» I am sure that this is as much a concern for you as it is for us.

An attendance of 90% equates to an average of one school day missed per fortnight whilst attendance of 80% equates to an average on one day missed per week. As you know to achieve their full potential a pupil must have regular high attendance and punctuality.

I would, therefore, like to invite you into school on «Insert day, date and time» to discuss your child's attendance concerns. Please let me know if this is not convenient and a mutually agreeable appointment will be arranged. It is vital that this meeting takes place so that we can begin to support you in improving «ChildFirstName» attendance.

I have to advise you as a parent/carer of a child of statutory school age, you have a legal responsibility to ensure full time education through regular attendance at school or otherwise (Section 444 of the Education Act 1996)

If you require any further clarification regarding school attendance, please read our Attendance policy which is available on the school's website.

GOOD ATTENDANCE MATTERS!

Every school day counts

IMPORTANT INFORMATION FOR PARENTS AND CARERS

Why is regular school attendance and good punctuality so important for my child?

Regular attendance at school means that your child can make the most of their education and improve their chances in adult life. School can also help your child's social skills such as making and developing friendships.

The link between attendance and attainment in school is clear. The more a child is in school the more they increase their opportunity to fulfil their potential.

Good punctuality is important. For example, if a child arrives 15 minutes late at school each day, they lose almost 2 weeks of education over the year. Good punctuality also helps your child get into good habits for when they enter the world of work.

Lateness can cause your child embarrassment and, in some circumstances, can count as unauthorised absence.

How can I help my child enjoy school and attend regularly?

Be organised, have a plan, be consistent and involve your child!

You should:

- ensure they have an appropriate bedtime routine
- create good routines for mornings at home so that your child can arrive punctually and are properly equipped;
- avoid absence from school wherever possible – try to make doctors and dental appointments out of school hours
- make time to encourage and show interest in school work, friendships etc.
- attend school open evenings and functions
- Create a calm space for them to do homework, check they understand the homework and that it has been completed.
- share any education concerns your child or you may have with the school staff as soon as possible
- set realistic boundaries

Holidays/Leave in term time

Holidays in term time are not allowed. Parents/carers must apply for the authorisation of any leave prior to travel or their children could be reported to the council as missing in education.

Leave for other circumstances such as bereavement or family illness abroad may also not be authorised. Informing the school does not mean the leave is agreed. In the event of a genuine family emergency, parents should avoid requesting more than 5 school days absence. Leave due to weddings is unlikely to be authorised.

Two weeks unauthorised holiday/leave means at least 50 lessons missed that will never be repeated.

What does the law say I must do as a parent/carer?

Once your child is registered at a school, you are legally responsible for making sure they attend regularly. This means your child should not have any unauthorised absence as this would constitute an offence in law.

When attendance doesn't improve after support or, when a minimum of 5 days unauthorised holiday/leave is taken, legal action can be taken.

Courts can fine parents/carers up to £1,000 per child and for repeat offences the court can fine parents/carers up to £2,500 per child or impose a prison sentence of up to 3 months.

In many cases, but not all, parents/carers can discharge an offence by paying a penalty notice of £160 for each parent per child, discounted to £80 if paid within 21 days. For a family of two parents/carers with 3 children that would be at least £480.

Where can I get help and advice?

If you need support in relation to your child's attendance, help is available. Please make an appointment with the school to discuss your concerns.

Most difficulties can be resolved informally, but the staff can also arrange an early help assessment or make a request for support to Birmingham Children's Trust if necessary, with your consent.

School nurses can also be helpful if your child has a medical condition or has a lot of time off due to illness.

Parents/carers are strongly advised to work in partnership with the school to address any difficulties impacting school attendance. For more information about school attendance or if you need help or support, please use these links:

'SUPPORT FIRST' SCHOOL ATTENDANCE

LEGAL ACTION INFORMATION FOR PARENTS

This leaflet is for only parents/carers whose child/ren's attendance has not improved following offers of support from their child's school, including a formal meeting. To avoid Legal Action being taken against you for failing to ensure your child/ren attend school regularly, you are advised of the following:

- Ensure your child attends school every day it is open, on time, escorting them into school if necessary and handing them over to a member of staff. (Please be aware your child may get an unauthorised absence mark when they arrive after registration closes).
- Contact school on the first day of every absence by 9:30am stating the reason for absence and the likely return date.
- Take your child to the doctor if unwell and provide the school with: medical appointment card with one appointment entered, letter from a professional, medication prescribed by a doctor, copy of prescription, print screen of medical notes, as well as letters concerning hospital appointments or any other relevant evidence. (The Head Teacher will not authorise medical absence without evidence).

How does your child compare?

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons

Legal outcomes in respect of poor attendance

Section 23(1) Anti-Social Behaviour Act 2007:

Penalty notices may be issued to the parent of pupils who have unauthorised absence from school for first offences. For second offences the discount of £80 will not apply. (In cases of excessive absence, or for a third or more offence, whether for ongoing absence or leave in term time, the matter may be referred straight to Court)

- The amount of the penalty is £80.
- If this is not paid within 21 days the amount rises to £160.
- If not paid within 28 days the Local Authority may prosecute under section 444(1) unless it comes to our attention that the penalty notice had been issued in error.

Section 444(1) Education Act 1996:

"If you are the parent of a child of compulsory school age who fails to attend school regularly, you are guilty of an offence."

The court can fine each parent up to £1,000 per child, order payment of the prosecution costs, impose a victim surcharge, and/or make a Parenting Order.

Section 444(1A) Education Act 1996:

"If in the above circumstances you, the parent, know that your child is failing to attend regularly at the school and fail without reasonable justification to cause him/her to attend, you are guilty of an offence."

The court can fine you up to £2,500 per child and/or sentence you to a period of imprisonment of up to 3 months, impose a victim surcharge and order payment of the prosecution costs.

Please note that Penalties and prosecutions are in respect of each parent for each child. 'Parent' also includes any person who is not a parent of the child but who has parental responsibility for the child (and applies whether or not that person lives with the child) or who has care of him/her.
